

Jots & Tittles

Everybody says "I love you" differently. Sometimes it's with words, sometimes it's with a kiss on the cheek, and sometimes it's with fresh-cooked bacon in the morning. This is because we all speak different love languages. But as with any language sometimes things can get lost or mixed up in translation. To help with this we are happy to be offering a several week Bible Study for young married couples based on the five love languages. We will meet over at The House next door starting January 29 at 9:30 am sharp.

We are ready to prepare the 2012 Grace Bible Church Directory. If you are listed in the Directory, please check to be sure all information is correct. Changes should be submitted to the Church Office. If you are not included in the Directory and would like your name added for 2012, please contact the Church Office. You need not be a member of Grace Bible Church to be included in the Directory.

Serving in 2012

Do you love helping in the kitchen? Do you enjoy stopping by to visit with old friends? Do you smile at the thought of helping others? Well then, nothing would make us happier than to have you put those God-given talents and desires to work right here in the Body of Christ at GBC. There is a sign-up sheet on the bulletin board for those who would like to serve.

We are in need of a teacher for the 4 and 5 year olds in Sunday School. Please see Dave Dillon if you could serve in this capacity.
